

# STUDY AT UNÎMES WITH ERASMUS+ OR ON AN EXCHANGE

## EXCHANGE STUDENTS:

### PROCEDURE FOR ERASMUS+ OR BILATERAL EXCHANGE STUDENTS

If you wish to study at the University of Nîmes through a bilateral agreement or the Erasmus programme, you should:

- Contact the International Relations Department at your home university to check that a student exchange agreement exists between it and the University of Nîmes.
- Apply to your home university for a place on the exchange programme.
- Be selected by your home university, which will then send the list of students selected to the University of Nîmes.
- Contact the international exchange coordinator for your subject area to agree on a programme of study which will be validated when you return to your home university.

(To help you draw up your learning contract, you can view details of the [courses on offer](#) and take note of the semesters during which they are delivered.)

- Fill in  [the application form for exchange students](#) on your computer, then print it, sign it and attach the following documents:

- \* A letter of application in French
- \* Transcripts of your marks for the current year and the previous year
- \* A photocopy of your identity card or passport
- \* A proposed study programme validated by your supervisor at your home university.

- You should then post your application to:

*Bureau des Relations Internationales, Université de Nîmes – 2, Rue G. Salan, 30021 Nîmes cedex 1 France*

or scan it and email it to:  [international@unimes.fr](mailto:international@unimes.fr)

**Application deadline : 30 June**

You will then receive a confirmation letter by email and by post.
