

VOCATIONAL BACHELOR'S DEGREE

NOTARIAL PROFESSIONS

INTRODUCTION

The «Notarial Professions» Licence Professionnelle aims to train professionals who will carry out work in notary offices, and all those with professional connections to notaries and acts pertaining to family law, property law, construction law and housing law.

The University of Nîmes offers a specialist course that favours a practical approach, with close and regular contact with the bodies and professionals in this field, so that students are immediately operational in their first position after graduating.

OBJECTIVES

The entire project, including the profile and course modules, has been designed with the help of notary offices under the jurisdiction of the Nîmes Court of Appeal, who not only provide an essential connection to help students find work during their internship but who also provide funding for the course.

The project aims to guide students towards a truly vocational course at the end of BAC+3 studies.

ENTRY REQUIREMENTS

Year 2, bachelor's degree or equivalent (undergraduate technical diplomas and advanced technician certificates such as the BTS and DUT) in Law, Economics and Management, and Notarial Regulations

SKILLS AND EXPERTISES

After the course, graduates will:

- Understand the legal environment in which the tasks of notary professionals are carried out,
- Know how to approach the departments and representatives related to notarial professions, regarding the nature of the tasks to be completed,
- Provide an immediately operational response to the requirements of their position, from the moment they enter employment.

KEY FIGURES

100%
of students graduated
in 2017.

73.9%
of graduates were
employed 30 months
after completing
the Licence
Professionnelle.
